

LIGHTS BURN LATE FOR WORKERS TO PACK "CHRISTMAS SHIP" BOXES

Labor of Love Given Cheerfully in the Name of the "Prince of Peace" For the European Children's Christmas; the Last Shipment Is Sent For the Sunshine Ship.

ALL afternoon and evening and well into Tuesday night, the volunteer workers in the "Christmas Ship" headquarters in the Herald building wrapped and labeled and packed the hundreds of pretty and useful gifts that have been sent to the Herald for the children of Europe, or that have been bought with the money sent in trust for this purpose. A bewildering assortment of common sense and dainty gifts for boys and girls of every age had been gathered, ranging all the way from kewpie to teddy bears and from shoes and stockings to half ribbons. Good things to eat were there in plenty, and fine knit sweaters and jackets and caps and gloves and mittens, dolls and doll clothes, toys of all sorts. All the time, in purchasing, care has been used to give things that would carry well, and would give pleasure to a child, as well as to be of some use. All the way through, the thought has been to reach the child, the little boy and the little girl, otherwise would have a dreary Christmas and whose day may be made a wee bit sunnier by the receipt of little gifts from America.

Among those who have helped during the many busy hours in the buying, handling and packing of the gifts are Miss Sarah Bridgers, Jessie Ewert, Violet Chase, Mary Waddington, Edith Robertson, Eleanor Wright, Pearl Penfold, Eyrline Vowell, Caroline Black, Nora Sanborn, Louise Hopper, five of the teachers of the El Paso School for Girls, Miss Slater, Miss Taffel, Miss Marion Maddocks, Miss Georgia Martin, Miss Mary E. Stewart, Mrs. W. W. Bridges, Mrs. S. H. Worrell, Mrs. H. L. Hunter, Mrs. N. M. Walker, Morton Levy, George M. Elvire, and many others, including The Herald force.

Twenty more big boxes full of gifts have been shipped by The Herald through Wells-Fargo express which most generously is transporting all the gifts to New York free. Literally thousands of separate parcels have been forwarded by The Herald in the last few days. Today ends it, because the time will be too short to reach the ship before it sails.

More Cash Received.
Among cash contributions that arrived in time for the last train are \$5 from Mrs. Young Bounds, of Sear, N. M., for "the war orphans in Durham county, England," \$1 from Mrs. Agnes Warren, of Deming, N. M., for the war orphans in Glasgow, Scotland; \$1 from Sanderson, Texas, with this note accompanying: "For the little children of Europe, sent in the name of B—, the little boy that died." Catherine Maith, El Paso, \$1; "A friend," El Paso; Florence Groscheider, \$2.

Civic League Gives.
The Civic league held its regular monthly meeting Tuesday afternoon and at once decided that the most urgent business was to make up a purse for the "Christmas Ship."

Thirteen dollars was raised in half an hour and minutes and was used to buy Christmas candles, fruits and other good things for the European children. Mrs. S. M. Aguirre and Mrs. J. P. Hammer brought the money to The Herald office for the league. Each of the packages containing the Civic league gifts was marked in the league's name and the greeting cards enclosed.

Total cash through The Herald to date, \$321.75.

Gifts Contributed.
H. C. Cantrell, of Barstow, Tex., sends a packet of gifts.
Miss Ruth Gamewell's contribution was crackers, fig newtons, pecans, dolls and toys.
Mrs. E. E. Skidmore and Mrs. L. W. Cowan brought in some dolls and a mouth organ.
A number of Christmas things were found in the boxes sent in by Mrs. Kenneth Brown—a fancy apron, several baby's booties and hose, etc.
This morning's mail brought a

SENTENCE AFFIRMED IN GUTIERREZ CASE

Austin, Tex., Nov. 4.—The court of criminal appeals today affirmed the sentence of Victor Gutierrez, of El Paso county, who was convicted of the killing of T. Salazar, and sentenced to 15 years in the penitentiary.

The court held that the objections of the court's charge came too late. The court also affirmed the judgment so as to comply with the indeterminate sentence act of the legislature.

The supreme court also today refused an application for a writ of error in the case of Cecilia Caden vs. Filiberto de Armentadec, both of El Paso county.

The case of Cecilia Caden vs. Filiberto de Armentadec was instituted in the 34th district court last summer. The plaintiff alleges that the deceased, Juan Armentadec, made him the administrator of his estate, valued at approximately \$15,000. This was contested by the defendant, wife of the deceased.

Huds-peth, who was appointed judge of that court by the governor several days ago. Judge Clark will preside until Judge Huds-peth recovers. The election occurred at the meeting of the Bar association Wednesday.

The term of acting judge C. L. Vowell, appointed recently by the Bar association to fill the vacancy caused by the resignation of Judge M. "Our New Empire Shall Rule the World"—Kaiser

London, Eng., Nov. 4.—The Copenhagen correspondent of the Evening News says that a German subject who heard emperor William on a recent occasion, when he addressed his troops, quotes his majesty as follows:

"We are now fighting for the life of Germany. They wish to kill Germany, but I say if we win—and we must win—a new empire shall arise more splendid than the world ever saw—a new Roman-German empire which shall rule the world, and the world shall be happy."

The 'Popular's' Annual November Linen Sale Will Begin Monday Morning, November 9th

The "Popular" Store has been importing Linens direct from the famous weavers of Ireland, England and Germany—saving our patrons the middleman's profit, and insuring absolute genuineness and sterling quality throughout. The "Popular" plans far in advance; hardly had our last November sale closed but orders began flying—and to this is accounted our good fortune—for the "Popular" actually received fully 95 per cent of their foreign Linens before shipping was interfered with by the warring nations. Besides our import linens, our domestic linen buying was increased doublefold—at the low prices that prevailed prior to any declaration of war—that no matter how scarce, or how high the prices might soar, the buyers of Linens at this store would be protected.
